1. Charge the Watch Battery overnight.
2. Purchase a Vodafone mobile Phone SIM.
3. Place the SIM in the watch with the gold part facing up.
4. Download the App by scanning the QR code on the instructions in the box.
5. Click on **Register**
6. Scan the code on the back of the watch or enter ID number manually.
Account: Enter your email (to be used to login later)
Nickname: Enter your child's name
P_number: Enter the phone number of the watch SIM
Password: Enter a password (to be used to login later)
7. Make sure the watch is outside within view of satellites and turn on. Every 10 minutes the watch sends its location to the map on your phone app.
8. You can call the watch anytime and the child can answer with two way conversation. On the app you click on **settings** and then **telephone** to enter your family's phone numbers in the watch phonebook and your child can call any of these numbers with their watch. You can also click on **Family num** and enter a number to be called when the watch SOS button is pressed.
